My dear Sir:-

I was sorry not to see you again last Saturday. I hope however that the time you spent here was profitable. We will be most glad to see you any time you are in New York.

Should you at any time feel inclined to become an Associate Member of this Society it would give me great pleasure to propose your name, and I enclose a blank application herewith. Associate Members receive the American Journal of Numismatics free of charge, and if elected after the first of July pay but half dues for the current year which ends on the third Saturday in January.

With kind regards, believe me,

Most cordially yours,

Secretary.

Birdsboro, Pa., Sept. 30, 1915,

B. L. Belden Esq.,  
New York City.

Dear Sir:- Your letter of 9<sup>th</sup> Inst just turned up with a lot of delayed correspondence, which has reminded me that I failed to acknowledge your courteous letter.

First I wish to acknowledge the courteous treatment accorded to me, on my visit to your city, and the time spent at your rooms were indeed a great treat, and I tried at least to get the most benefit possible and I know I was able to add many new varieties to the proposed list that I expect to publish in the near future of the Civil War lotions.

I had expected to spend Saturday morning with you again, but was unavoidably detained, which was the ~~great~~ <sup>most</sup> regrettable, and will necessitate me to spend a day or more with you in the future.

I enclosed my application for associate member

in your Society, which I wish you would bring in your December  
Meeting, that my membership would date from beginning of 1916,

Kindly remember me to Mr Wood.

Very Truly  
George Helmer

October 8th, 1915.

Dr. George Hetrich,  
Birdsboro,  
Pa.

My dear Dr. Hetrich:-

Your letter of September 30th and the associate membership application came to hand some days ago. I was very busy at the time working on an article for the next number of the Journal, and so the reply was delayed.

It will give me great pleasure to present your name for associate membership <sup>to</sup> ~~date~~ <sub>^</sub> from the beginning of 1916, and I am sure that it will be advantageous and agreeable both to the Society and to you for you to be associated with us.

With kindest regards, and trusting that we will see you in New York before very long, I am,

Very sincerely yours,

Secretary.

Dear Sir:-

We have not received your dues for 1918 and 1919. Bills for the former have been mailed to you from time to time and one for the latter was sent to you in January. Our By-Laws require the dropping of members in arrears more than twelve months. I am loath to take your name from our membership roll without making a final effort to get in touch with you.

This Society is doing splendid work in spite of the handicap of war and everything promises us a prosperous future. We know we can serve you as never before, but we need the encouragement of your continued support.

I am enclosing a statement of your arrears trusting for a prompt settlement of your account.

If your above address the correct one ?

Yours very truly,

Treasurer.

*My Dear Wood:-*

Enclosed find check for 10.<sup>00</sup> in payment for dues as per enclosed bill. Kindly accept my resignation at expiration of this year, not that I have lost any interest in Numismatics, for I am an ardent collector & student of Civil War tokens & cards, but rather from location. I feel that I can not participate in the benefits of your Society, as I am not able to. With Best wishes I remain  
Sincerely,
